

July 2013

Dear Partner,

Today I had lunch with a 50-year-old gentleman who is the CEO for government funded healthcare in a large state. His responsibility is to look after children, adolescents and young people.

What he told me alarmed me.

This state is large, wealthy and prosperous. The economy is booming. So what he described is not the product of poverty. The government he represents has tons of money to throw at problems — and is throwing it. My friend told me 20% of all the children have a medical or mental problem. Particularly worrisome are the **young women**. They have a high accident and suicide rate, and many suffer from psychological problems that baffle the most skilled therapists. These girls behave like wild young men but don't have the resilience to cope with the physical abuse. In contrast, many of the boys act like girls.

The healthcare CEO gravely told me things are getting worse. He confided he had no lasting solutions. He sounded like a man carrying the world on his shoulders.

He described over lunch the **break-up of society** and the **breakdown of the home**, society's anchor. He is a good man yet he has no answers.

Without sounding presumptuous, may I suggest that the cause of the pending catastrophe is evident. Here it is: **“God died in the nineteenth century, and man has been dying ever since.”** Society is like a battered ship on a storm-tossed sea, **without a rudder.** God is denied and His Law despised. The fact that the majority of young people and adults under 40 see no problem with “same sex” marriage tells us something. Whatever happened to the plain teachings of the Bible? These millions of young people are either **ignorant** of basic Christian teachings, or have decided to discard God like a disposable paper cup.

Is there anything we can do? **Yes, there is.** We must hold on to Christ, His Word, and His Commandments. We **must** choose to be different when being in the minority means being right. We **must** support the faithful, honest, truthful preaching of God’s Word.

We **must** stand up when others fall down. Remember, **if you stand for nothing, you will surely fall for anything.**

I have a plan to help counteract evil. I am determined not to roll over and play dead, and I need your help.

I want to get our new “Great Truths Revealed” DVD series into thousands of homes. These 60-minute programs are Holy Spirit anointed and were shot with an audience of 100,000. They will change lives because they impart powerful Bible Truths. They will help turn back evil at the doors of our homes.

If you stand for nothing, you will fall for anything.

* See Lev. 20:13; Matt. 19:4,5; Rom. 1:26,27

Let me tell you how it works: When you send your gift of \$100.00, we will send you the full set of 21 powerful DVDs. After you have viewed them, you will want to share them with others.

With your gift of **more** than \$100.00, you will receive your set of "Great Truths Revealed" DVDs, and the money above and beyond the first \$100.00 will be used to produce more sets. (It costs us \$100.00 to produce one complete set of 21 DVDs.)

If you send \$1,000.00, you will receive your set, but **also** make it possible for us to produce another nine complete sets FOR EVANGELISM.

If someone were to send \$100,000.00, we could produce and distribute 1,000 sets to help stem the tide of evil! Remember, these messages shook the entire nation of Papua New Guinea!

Let us together aggressively fight to turn back those sinister forces that are destroying the home, the church, and the nation. **Now is the time to work!**

Please join me in this crusade to save our families. Please write today. With a thousand thanks for your partnership.

May God bless you above and beyond all you can ask or think.

The following is a poem
written by Judge Roy Moore
from Alabama:

*America the beautiful
or so you used to be
Land of the Pilgrims' pride
I'm glad they'll never see*

*Babies piled in dumpsters
Abortion on demand
Oh, sweet land of liberty
your house is on the sand*

*Our children wander aimlessly
poisoned by cocaine
choosing to indulge their lusts
when God has said abstain*

*From sea to shining sea
our Nation turns away
From the teaching of God's love
and a need to always pray*

*We've kept God in our
temples, how callous we have grown
When earth is but His footstool
and Heaven is His throne*

*You think that God's not
angry, that our land's a moral slum
How much longer will He wait
before His judgment comes*

*How are we to face our God
from Whom we cannot hide
What then is left for us to do
but stem this evil tide*

*If we who are His children
will humbly turn and pray
Seek His holy face
and mend our evil way*

*Then God will hear from Heaven
and forgive us of our sins
He'll heal our sickly land
and those who live within*

*But, America the beautiful
If you don't - then you will see
A sad but Holy God
withdraw His hand from Thee*

HOW TO PROTECT OUR HOMES

1. When you send \$100.00, we will send you the 21 DVDs that make up the "Great Truths Revealed" series. After watching for yourself, you will want to place this powerful series in the home of a relative or friend.
2. Every dollar you give above the initial \$100.00 will make it possible for us to produce more DVDs. If you send \$1,000.00, we will be able to produce 10 sets of the "Great Truths Revealed," one set for you and nine sets for evangelism.
3. You may wish to order multiple sets. Each set will cost \$100.00, and we will pay the postage to anywhere in the U.S.A. You may wish to give these to family, friends and acquaintances. They come attractively packaged.
4. We can choose to merely witness the collapse of society, or we can choose to fight back. This is one powerful way to fight back.
