DOES

GOD STILL

WORK

MIRACLES?

May 2015

Dear friend,

Today I have just watched a video that tells me that miracles still happen. An email was sent to me by Samuel, a man from Port Moresby, Papua New Guinea. His YouTube link that shows the amazing video is <https://youtu.be/L1fSF1vHLmo>. (The dove flies over at 2:13 on this video.)

This white bird was seen three times at our meetings. After one meeting with 140,000 people in attendance, a young pastor said to me, “Some of my members testify that a white bird flew low over the meeting tonight.” That particular night I was preaching on the Holy Spirit, the Dove of God. I did not on that occasion see the white bird, but some of the locals did.

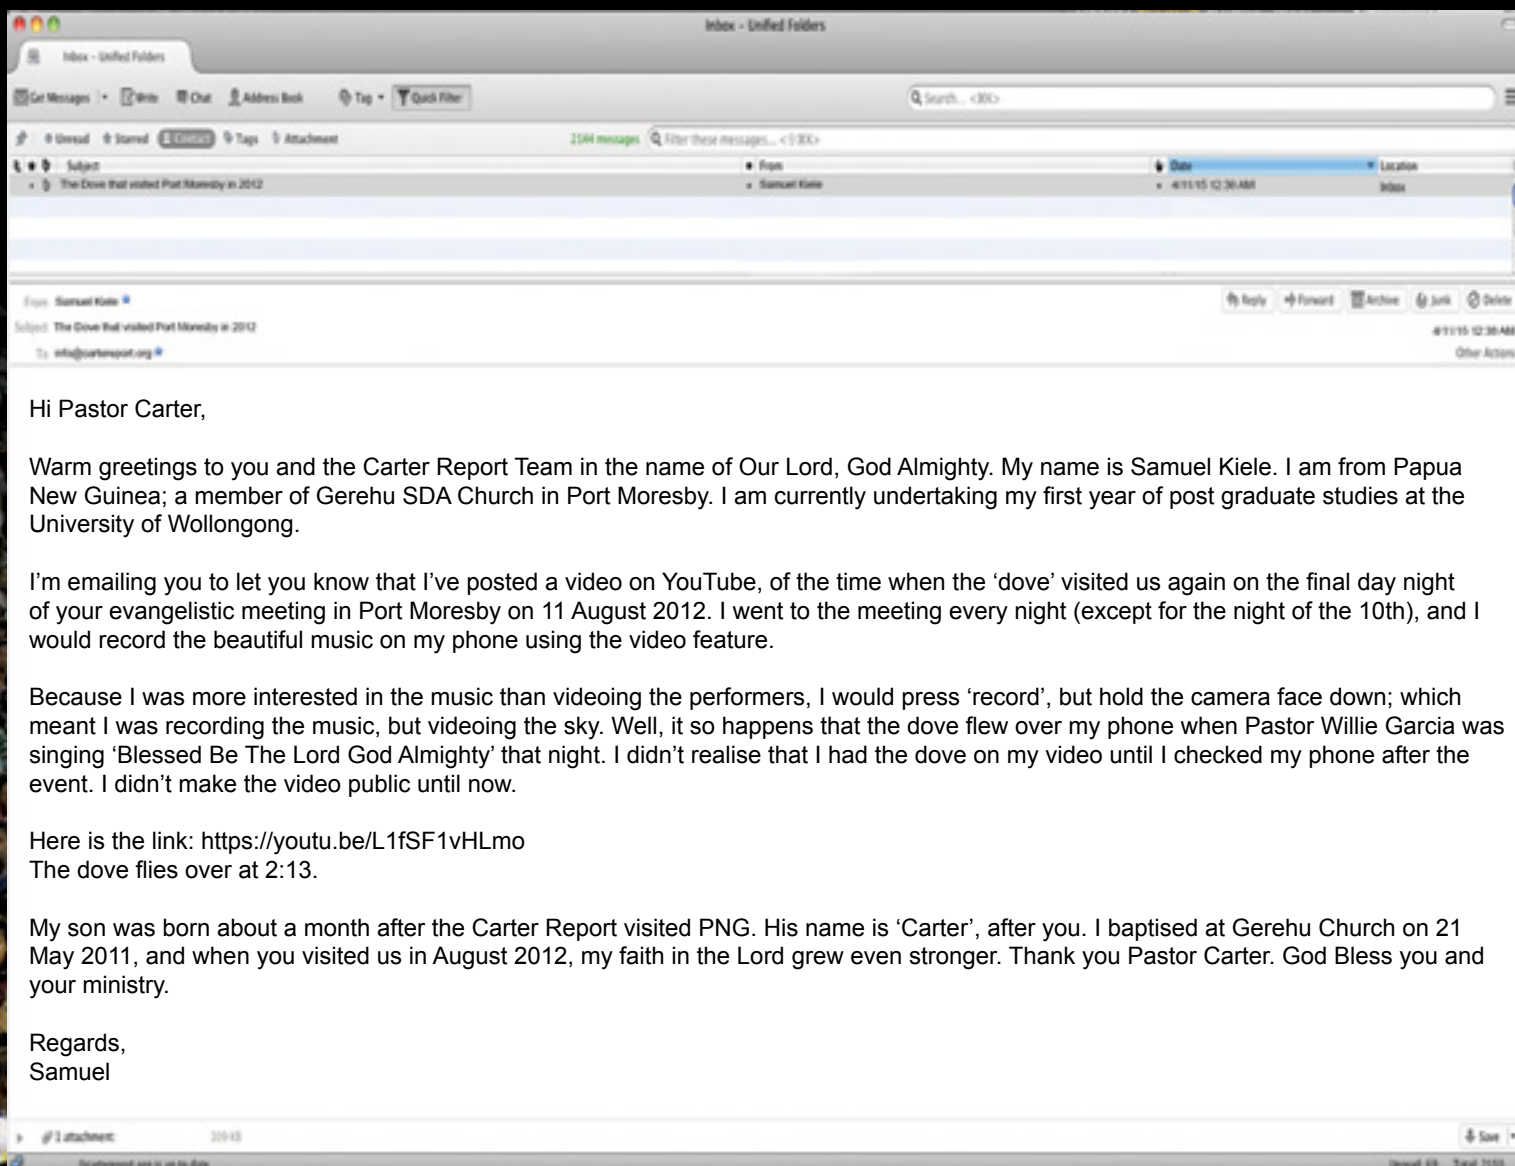

I saw the white dove on the last night.

Then while Pastor Garcia was singing on the last Saturday night, **the white bird returned flying low over the audience.** I was at the back of the stage with some government leaders when I heard the cries and shouts of the audience. At least 150,000 souls were in attendance and they were excited at what they believed was a visitation from God. 150,000 sets of eyes saw the “dove.” **I too saw the bird.**

The white bird returned while Pastor Garcia was singing.

EMAIL ABOUT THE WHITE DOVE

This white bird was seen three times at our meetings.

That final Saturday night followed an amazing Saturday morning when tens of thousands gathered at Ela Beach to witness the baptisms of 2850 souls in the sea. It was the same evening of that same day that witnessed the return of the "white dove." This is what is seen in the video sent to me by Samuel.

Recently I received a message from a journalist that the white "dove" also was seen by thousands at the Ela Beach baptism. Thus the "bird of God" came three times to our meetings, and hundreds of thousands testified that never before had they seen a bird.

The crowds at the meetings were convinced that God indeed had sent them a message: "The Holy Spirit is here in these meetings and He is calling you to come to Christ."

Dear friend, look at the YouTube video. What does this mean to you and me? It means that we are living in the hour of His power. It means that where and when the

church is willing, God supplies the power. **It means that we need to invest our resources into Holy Spirit filled evangelism.** Miracles **do** happen when we trust and obey God's Word.

It also tells us not to listen to the cynics, defeatists, and naysayers. God does great things when we have faith and put that faith into action.

God will bless you, dear friend, when you have faith and invest in evangelism that works. Your gift right now will open the windows of Heaven and bless you.

Your gift will bring life to the dying and is **desperately needed now.**

Please, in Jesus' name, write to me today, and please enclose your gift for the saving of souls. Thank you, Thank you.

Yours in the Blessed Hope,

John Carter
