Dear Friend,

We are strategizing right now to evangelize in Russia, Cuba, and India. This year we plan by God's grace to run a series in Nizhni Novgorod, Russia. We are scheduling for December when it is too cold for the people to leave and visit their gardens. This will be my 43rd visit.

We do not know what the future holds for the Russian people. But we do know that Christ is Sovereign Lord. Already He is open-

ing doors for us to preach in Russia, maybe for the last time. Some have asked us if they can come with us. We do not think it would be wise at this stage to take a large group to Russia. But Cuba is on the horizon.

We will visit Cuba soon to prepare for a large citywide evangelistic campaign. There are many difficulties and challenges for us to overcome but our God is able. We are excited at the prospects.

Some have asked me, "What can I

do to help?" You can pray for us as we visit Russia, Cuba, and India. We need your prayers. You can also support God's work financially. Right now, we are going through a tough time. Bills are big but dollars are few. We are spending far more than we are taking in, but we do not plan to sound the "Retreat" just because our income is down. We are confident that God will turn things around. He has never failed us. Our motto is **"Forward in Faith."**

The times demand evangelism. The events now happening tell us that Satan is preparing for the Last Great Conflict. We need to sound the warning. Now is not the time to give up. God is depending on us.

Please partner with us in God's final message to the world. Christ is coming.

*"We are living, we are dwelling,
In a grand and awful time,
In an age on ages telling;
To be living is sublime.
Hark! the waking up of nations,
Gog and Magog to the fray;
Hark! what soundeth? Is creation
Groaning for her latter day?"*

(SDA Hymnal)

Please help us light a flame in the darkness.

Yours in the Blessed Hope,

John Carter
