

ONE SOUL SAVED IS WORTH MORE THAN ALL GOLD, SILVER,
PLATINUM, DIAMONDS, RUBIES, AND EMERALDS IN THE WORLD.

July 2015

*This young lady attended
our meetings in Odessa,
Ukraine, 2003.*

Russia in the eyes of some is behaving like a bully these days. Mr. Putin is a strong leader whose actions during the past year have given Western countries the jitters. BUT we must not confuse the aggressive tactics of the Kremlin with the Russian people. They still need to hear the Gospel of Christ.

I have been to Russia and Ukraine 42 times. We have travelled from Odessa on the balmy Black Sea to the frozen wastelands of Siberia. We have journeyed from St. Petersburg to Vladivostok, an odyssey of eight time zones. We have heard the cry of the Russian masses, people who have suffered more than any other nation on earth. Tens of millions were tortured and murdered by the godless atheists during the reign of the Communists. In spite of international tension, this is no time to forsake God's people in Russia.

In Nizhni Novgorod is the Christian Cultural Center, the Russian home of 3ABN. Back in 1992, The Carter Report with the help of 3ABN conducted a giant citywide campaign in Nizhni. Thousands were baptized, including

Dr. Julia Outkina, now director of 3ABN Russia. Her team now produces TV programs that influence multitudes for Jesus. They need our support.

Dr. Julia Outkina is the director of 3ABN Russia.

This is no time to forsake Russia because of the apparent adventurism of Mr. Putin and company. The Carter Report, by the grace of God with your financial support, left thousands of believers scattered like gems across Russia's heartland. We need to return, to encourage them and reach out to others. We need to do this soon. **Doors are closing.**

We need to return, to encourage them and reach out to others.

Doors are opening in Latin America that is experiencing The Latino Reformation.* **I have already preached to a packed crowd in Cuba.** Just recently we held meetings with 52,000 souls in the national football stadium in El Salvador.

The best days for preaching the Gospel of our Lord Jesus are now. Your support is appreciated more than tongue can tell.

We also are reaching out to a neglected minority right here in the USA and Australia. I'm thinking of the young people who are being seduced by the false propaganda of Neo-Darwinism — the new religion of Evolution. We are right now producing DVDs and TV programs that unmask this deception that is ruining the souls of millions. Watch them on Roku. Remember, the soul that is saved by these DVDs may be **your**

son or grandson, daughter or granddaughter.

Sometimes I almost feel overwhelmed by the immensity of these challenges, but your prayers and support give me strength to carry on. Thank you.

Please write before another day passes. Please enclose your needed gift for lost souls in Russia, Ukraine, India, Latin America, and in the Homeland, not forgetting our own young people.

Never forget: "With God **all** things are possible," and "if God is for us, who can be against us." Please write today. May God bless you over and beyond all you can ask or think. Thank you a thousand times over.

John Carter
