October 2015

Dear Friend,

This letter will take you two-minutes to read.
The effects will last for eternity.

The hour has finally arrived for Cuba. Fifty years ago the Cuban Missile Crisis brought the world to the brink of nuclear annihilation.

The time for Cuba is now. When we went to Russia, the time was ripe. The time is ripe now for Cuba. Twenty-four years ago, Russia was in transition, and the people were ready for God's Word. History is being repeated. ***Cuba is now in transition, and the people are ready.***

Twenty-four years ago, we were in Russia when the old era was coming to an end. God had shaped history and prepared the soil. We saw a second Pentecost. Right now in Cuba the old era is coming to an end.

There is a time for everyone and everything.
This is Cuba's time. It won't last for long.

Russia had a small window of opportunity.
That window is now sadly closed. I'm glad
we went when we did. Cuba now has a small
window of opportunity ***but*** it will not stay open
long. ***We must move now!***

You supported us when we went to Russia.
Thank you for helping to save thousands of
souls.

I now ask you to give the same support as we go to Cuba, Communism's last stronghold

in the Western Hemisphere. ^{urgently} We need to raise
one million dollars for the preaching of the
Gospel in Cuba. Nothing is too hard for our
great God. God's people have waited more
than 50 years for this moment in history. The
Cubans have waited for 50 years. God has
shaped history and events, and ***now is the***
time.

I am asking you to be my *faith partner*
in raising one million dollars for the
proclamation of Christ to the Cuban
people. All can do something. Jesus will
provide. May God bless you over and beyond
all you can ask or think. Please write today.

Thank you in the mighty name of Jesus,

John J. Carter

“And my God will meet all your needs according to the
riches of his glory in Christ Jesus.” (Phil. 4:19 NIV)

WE ARE NOW PREPARING TO LEAVE FOR CUBA.

“With God all things are possible.” — Jesus
