## BATTLE CRY A CALL TO ARMS

August 2019

Dear Fellow Pilgrim,

Blessings to you. Here is an update on the great Manila Campaign. As I write, Carter Report volunteer and overseas manager, Pastor Harold Harker from “Down-Under,” is high in the sky on his way to Manila. He has much to do. Working in the Philippines is not easy, and he has a week filled with challenges.

Very few know what is involved in running a big citywide evangelistic campaign. It’s like preparing for a major military exercise where the aim is not the destruction of souls, but the saving of souls.

**We believe in public evangelism because:**

- 1. It works, in spite of the devil** and his assistants.
- 2. It makes a tremendous impact for Christ.** In some places our campaigns have had a national impact.
- 3. It wins souls to Christ** from the camp of the enemy.
- 4. It is taught in the Bible.** The Church started when a man stood up to preach. (Acts 2)
- 5. We get so much opposition,** we must be doing the right thing.

***“The moment the church of God shall despise the pulpit, God will despise her.”***

**– Charles Spurgeon**

**Some things that must be done include:**

- 1. Finding and renting a venue** – Indoors or outdoors in a prime location. In Manila this has been frustrating. Months of work has gone into this, but hopefully this week we will sign a contract to rent the Philippine International Convention Center for **US\$74,000.00**.
- 2. Organizing the local churches** – We go to Manila at the urgent invitation of the local church administration (the Central Luzon Conference), that still believes in public evangelism. Most places oppose it, having settled for a nebulous lazy thing they call, “Friendship Evangelism.” The latter is a mystery to me, I thought being friendly was something we all did without any special effort. To rely on “Friendship Evangelism” is to invite spiritual disaster because it denies the great Commission of Christ to “go into all the world and **preach...**”
- 3. Buying television and radio ads** – This is vital but expensive. Ads on primetime television may be \$5,000.00 for 30 seconds. We do it because it is the best way to reach the lost unchurched masses. Churches often waste a lot of money lubricating the machinery, but **throwing the net into the sea is the Jesus way**. It costs money but it fulfills the will of God. In Manila, our television and radio advertising will touch millions.

- 4. Renting huge PA systems** – and giant video screens takes **time, effort, and money**. But we are determined to do it, because what we do for Jesus must be the best.
- 5. Renting buses** – to bring the people from strategic places. In El Salvador, we rented 763 buses and filled the stadium with more than 50,000 souls.
- 6. Raising the budget of \$500,000.00** – without any help from the Church. We believe we are called to publicly proclaim the Word.

**Please support the Gospel and it’s proclamation. Please write today to Pastor John Carter. Please partner with us. Time is short. Sow your seed into good soil.**

**Rev. 14:6**

***“Then I saw another angel flying in midair, and he had the eternal gospel to proclaim to those who live on the earth—to every nation...” This describes PUBLIC EVANGELISM. This is why we do it!***

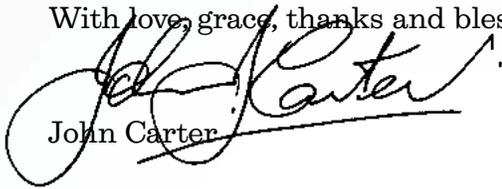

This is a call to arms. This is a call to rally the true people of God.

Soldiers are needed. Money is needed to fuel the Gospel fires. Please have a little talk with Jesus and please send your gift to what could be **THE LAST CAMPAIGN** in Manila. We must raise \$500,000.00. God needs you. We need you. **Visit our website [www.carterreport.org](http://www.carterreport.org) to donate today.**

God bless and reward you, true soldier of the cross.

With love, grace, thanks and blessings,

John Carter
